- Clean area if dog relieves himself in the house thoroughly to completely eliminate odor.
- Set a schedule / Feed your puppy at the same time everyday. • Always take your puppy outside for a walk shortly after meals (Also take your puppy outside every two hours, regardless of eating)
- Praise your dog every time after he eliminates outside. "GOOD BOY"
- Take your puppy to the same spot every time he goes for a walk, the scent will let him know that it is the right spot for elimination.
